News Release from
Canadian Federation of University Women – Cranbrook Club

Artisan Bazaar a success for women students in the East Kootenay

The 26th Annual Bazaar held at the Cranbrook Golf Club on Saturday, November 5th, was a success for the Artisans and the Cranbrook Club of the Canadian Federation of University Women. “We have enough funds”, said Treasurer, Linda Smith, “to continue with our scholarship program at the College of the Rockies, and still offer monies to Mount Baker Secondary School.”

The club, with only 11 members, worked hard to get the Bazaar organized for its 26th year. “We will be giving monies to the College to top up our funds so that \$64,000.00 is available long after we are gone,” according to Scholarship Chair, Barb Szalanski. This is an ongoing process which we will carry on with for a few more years.

If you are a woman at the College of the Rockies or Mount Baker SS, please visit our website at www.cfuw-cranbrook.com to find out more about our scholarship and bursary programs.

We club wishes to thank all the artisans for participating in this year’s bazaar and for donating to our door prizes. Annually, each guest pays a mere \$2.00 at the door and gets as many chances as there are artisans at winning one of the many unique and wonderful gifts valued up to \$40.00. There is also a huge gift basket which is created by all club members donating to it to make a delightful prize. This year, the gift basket was won by Isabelle of Cranbrook.
